(music: Venicio Junior/Gerson Grecco - lyrics: Gerson Grecco)

You rolled the dice on me

Made of me your object

A slave of your will

Trapped in love, blinded for the glare

You kid me! I'll never forget!

Chorus:

Love and Suffer - Nowhere to run

Love and Suffer - False love is like a gun

Another girl playin' with love

Chasing another weak heart

Who only get some fun when hurts

Just to fee her vanity

Only until you fall in true love

Only until you want it...

..and I don't want it... anymore

Shame on you - It's real

You were caught in love's trap

In my turn only I deal

In my turn you pay your dues

('n I told you)

Don't kid me! Never forget it!

Chorus
