(Charlie Williams - Scott Turner)

Go ahead and fool around with every girl in town
I don't care anymore
Go ahead and laugh at me just you wait and see
I won't cry anymore.

'Cause I been hurt before and then I swore
I never give my heart anymore.

--- Instrumental ---

Go ahead and give a whirl to every untrue girl
I won't see anymore
I hope you learn as time goes by the way it feel to cry
I don't care anymore.

Go ahead and fool around with every girl in town
I don't care anymore
I won't see anymore
I don't care anymore...
