Gotta buy a brand new dress gotta buy new shoes
Gotta get a goodnight sleep tomorrow comes the blues
There's no way I can stop them what will be will be
I've got a big big day tomorrow my baby's leaving me
I've heard him tell his new love tomorrow will go away
If that's what you wanna do love I'll never stand in your
way

Got a practice out to smile and take it gracefully
I've got a big big day tomorrow my baby's leaving me
[steel]
I've heard him tell his new love...
I've got a big big day tomorrow my baby's leaving me
