Anywhere you wanna go.
Anything you need to know.

All the best in life, I want to get it for you!

Baby, I just feel so fine.
I imagine that you're mine.

You're my world, you're gold.
I only want to protect you.

Whatever I want, I get!
I want, shooting stars.
Whatever I need, I have!
When I'm with you.

Follow me inside, outside, through the stratosphere.
The moon is shining for you, it knows that I adore you.

Suddenly, all the...sadness, will just slip away.
And you will see what I mean, If you just follow me in
my Dreams!

I was searching everywhere.
Suddenly, I saw you there.
And my love arrived, just in the nick of time.
Life floats on a movie screen.
You're the star of my scene.
Live on the edge of a Knife, larger than life!

Whatever I want, I get!
No one could take your place.
Whatever I need, I have!
When I see your face!

Follow me inside, outside, through the stratosphere.
The moon is shining for you, it knows that I adore you!

Suddenly, all the...sadness, will just slip away!
And you will see what I mean, If you just follow me in
my Dreams!

(la *repeated*)

Follow me inside, outside, through the stratosphere!
The moon is shining for you, it knows that I adore you!

Suddenly, all the...sadness, will just slip away!
And you will see what I mean, If you just follow me in
my Dreams!
