(Bobby George)

Get out of my heart you have no right being here
I can't be concerned with you while you're with her
And get off of my mind with takin' off all my thoughts
You're gonna tear them all apart get out of my heart.

If you walk out away from her and come back and try
again
Then I've got to make some room where a brand new
love can live
So get out of my heart you shouldn't be here at all
You're gonna tear me all apart get out of my heart.

--- Instrumental ---

If you walk out away from her and come back and try
again
Then I've got to make some room where a brand new
love can live
So get out of my heart you shouldn't be here at all
You're gonna tear me all apart get out of my heart...
