You turn your head each time I meet you on the street
I brush your arm as you pass by but you won't speak
I call you on the telephone but can't get through
But I can't stop my loving you
So many times I've tried to find somebody new
Yeah to tell again the feeling I once felt with you
Though someone else is doing things I used to do

Oh I can't stop my loving you
Can't sleep at night
Can't hold you tight
Since this loneliness replaced the love we knew
I still hang around
Though you've turned me down
For I can't stop my loving you no I can't stop my loving
you
