(Robert Mosly - Johnny Rebel)

I received one night your invitation
I would have given you my congratulation
But someone else was standing by your side
And I cried and I cried and I cried.

I cried and I cried at your wedding
I couldn't keep the tears from my eyes
I cried and I cried at your wedding
I thought I was to be the lucky bride.

--- Instrumental ---

When she came down the aisle she was smiling
You seemed to be so happy too
And I cried and I saw she was wearing
Something old something new something borrowed
something blue.

I cried and I cried at your wedding
I couldn't keep the tears from my eyes
I cried and I cried at your wedding
I thought I was to be the lucky bride...
