(Kay Adams)

Tonight I tasted liquor for the first time  
In a barroom where I never thought I'd go  
Cross the bar I could see me in the mirror  
As I tipped my glass and drink it like a pro.

When a stranger asked if he could buy the next one  
Refuse him never even crossed my mind  
Right or wrong it was good to have his company  
Tonight I let a stranger buy the one.

Loneliness does funny thing to girls like me  
Could it be I've really lost my mind  
Tomorrow there's no telling what I'll think of me  
'Cause tonight I let a stranger buy the one.

Loneliness does funny thing to girls like me  
Could it be I've really lost my mind  
Tomorrow there's no telling what I'll think of me  
'Cause tonight I let a stranger buy the one.

'Cause tonight I let a stranger buy the one...
