Walk out the door
Turn around
Pick up the phone
Put it down
Your voice gets so disappointed
And I don't want to hear that sound
Said the queen bee
Get thee back
And trampoline me to the right track
I said I'm sorry
And I can't say it any better than that
Every moment gets replayed
And recreated in my head
I go back to all the perfect things
I wish I would have said
I'd be made in the shade
Fantastical sweet surprise
Maniacal was my demise
It left me standing
With a solar landing in my eyes
Said the queen bee
Everything's wrong
So go ahead
And get along
But first do your worst
I got my best happy ending face on
Every moment gets replayed.....
If you're having trouble understanding what I mean
What I've been meaning to say
Is we've got to call our own armistice day
And if it's all a circle
Everything to me's a circle
I'll just cover my eyes
And when I cover my eyes
I miss the parade
Said the queen bee
Take it back
Every moment gets replayed.....
