(Scott Turner - Chris Roberts)

Old heart get ready we're gonna have company
A lot of old friends will drop by
It won't be long till they come a callin' on us
Old heart you and I.

So you better get ready we' re gonna have trouble
And I'd run if I could I'm not proud
Well, now he's comin' ain't gonna be long
Old heart before we have a crowd.

When the blues come a callin' they always bring trouble
Along with a worried mind
Along with the blues comes a hurtin' too
And the tears ain't far behind.

So you'd better get ready we're gonna start hurtin'
And the night's will get lonelier yet
With a little bit of time if we don't lose our mind
We may find a way to forget.
