Well he rode that old truck out six days ago  
I just stood and I listened till I couldn't hear a roar no  
more  
I've been waitin' for him at night if you think I'm  
lonesome you're right  
Six days a waitin' and he better make it home tonight  
I keep real busy all day and tired all night  
I just scrub and I polish everything there's in sight  
Then I keep a walkin' to the door waitin' for that truck to  
roar  
Six days a waitin' and he better make it home tonight  
[ guitar ]  
Well it seems like a month since I kissed my baby  
goodbye

I could have a lotta fellas but there's none like my guy  
I could find one to hold me tight but I could never make  
believe it's alright  
Six days a waitin' and he better make it home tonight  
Well here I am a lookin' out that door again  
Well I thought I heard that old truck turning in  
Lookin' on this slickin' night if you think I'm happy  
you're right  
Six days a waitin' and he's gonna make it home tonight  
Six days a waitin' and my baby made it home tonight  
Six days a waitin' and my baby made it home tonight
