You've got a way of makin' me blue
And I've got a way of hurtin' you too
Ooh what a terrible tangled web we're we don't we
You've got a gentleman on the side
And you've got a friend that you are tryin' to hide
Ooh what a terrible tangled web we're we don't we
We both got our way of goin' our way knowin' the cost
gets greater each day
I know you know we both know we both deceive don't
we
We've got a way of livin' a lie

And lie's got a way of makin' us cry
Ooh what a terrible tangled web we're we don't we

Why'd've we have to settle for it how can we take too
much more it
It figures we both got the nerve to leave don't we
We've got a way of livin' a lie
And lie's got a way of makin' us cry
Ooh what a terrible tangled web we're we don't we
Ooh what a terrible tangled web we're we
