(Billy Mize)

We must face the world around us it's not our fault that
heaven found us
Too late to be anything but wrong
We're both married to another and fashion holds us to
each other
Too late to be anything but wrong.

We both tried to look inside our hearts and find a way
to hide
The love that's been denied us for so long
If it's wrong or right or heartless we'll meet again tonight
in darkness
Too late to be anything but wrong.

--- Instrumental ---

Why do --- to bring us love so strong too late
And torture us to have to wait so long
If it's wrong and we both know it we're too weak to
overthrow it
Too late to be anything but wrong.

We live in sin and we're above it but nothing more can
be made of it
Too late to be anything but wrong...
