Since you went away I've had the blues everything is  
wrong since I lost you  
Only God knows what I'm going through walk the floor  
and worry over you  
Haven't slept a wink since you've been gone don't know  
how I'll stand this very long  
Only God knows what I'm going through walk the floor  
and worry over you

[ steel ]

Maybe someday you'll return to me then things will be  
the way they used to be  
Only you can make my dreams come true walk the floor  
and worry over you  
Haven't slept a wink...
