She was beautiful, on my best day I was average.  
She was a goddess and I didn't have a prayer.  
So how does a boy like me get through to a girl like her,  
way up there?  
I've got a good chance of never getting her attention.  
An even better chance that she'll walk right by.  
I need to make a plan, try something new thats bullet  
proof,  
to catch her eye.

Do I need to ride a bull in the rodeo?  
Fly like superman? Walk on a tight rope?  
Is that what she needs for her to see me?  
Live a little dangerous?  
Be outrageous? Act like a fool?  
Learn to play this person I can't be?  
Well maybe baby, could i just be me?

I bet she'd like me if she only knew me.  
It's a long shot, thats all I got.  
I guess I better jump in, sink or swim, so here i go.  
Ready or not..

Do I need to ride a bull in the rodeo?  
Fly like superman? Walk on a tight rope?  
Is that what she needs for her to see me?  
Live a little dangerous?  
Be outrageous? Act like a fool?  
Learn to play this person I can't be?  
Well maybe baby, could i just be me?

The way I am where we could be best friends.  
If she could only understand...

That I wanna ride a bull in the rodeo.  
Fly like superman, walk on a tight rope,  
if thats what she needs for her to see me.  
Rope the moon, maybe catch her a star.  
Anything on earth to win her heart.  
I'd do most anything..  
But maybe baby, i could just be me.

Woah, woah

I could just be me

Yeah, yeah

Could I just be me?
