Give me a cold one, I'm gonna drink it  
Bait my hook, I'm gonna sink it  
You double dare me, I'll always take it  
Ask me to dance, I'll sure 'nough shake it  
If you think I'm bluffing well, hmm, not hardly  
Don't send the invitation if you don't wanna party

Little wink, leopard skirt  
Even momma says, don't hurt to flirt  
But the signals you're sending me, can be taken  
mistakenly  
If you don't want to ride, don't kick start my Harley  
Don't send the invitation if you don't wanna party

(Chorus)  
All night long you've been coming on real strong  
Girl you know we can't go wrong once we get the thing  
started  
Don't send the invitation if you don't wanna party

Clock on the wall, she's half past one  
Bar man says, no more fun  
I've got some skinner out in my truck  
You look willing to crack things up  
If you're just teasing then oh, by golly  
Don't send the invitation if you don't wanna party

(Chorus)  
All night long you've been coming on real strong  
Girl you know we can't go wrong once we get the thing  
started  
Don't send the invitation if you don't wanna party

If you can't stand the heat don't order hot tamales  
Don't send the invitation if you don't wanna party  
Don't send the invitation if you don't wanna party  
Don't send that invitation, don't send that invitation to  
me  
O yeah
