

## Adam Gregory "Workin' On It"

Visit "[Workin' On It](#)" on [MotoLyrics.com](#)

I won't lie  
Sometimes it seems just too much to ask  
For love to last I play the strong one holding on  
Keeping it together  
The man with the plan  
When I know better baby  
All I can do is hold on to you  
And keep workin' on it baby  
Get down and dirty  
Not afraid to sweat  
To have to earn it  
Workin' on it, baby  
Up all night  
Work on it baby  
'Till we get it right  
Workin' on it baby  
I won't lie  
I have felt like walking out before  
Closing the door  
But like the strong one holdin' on  
Keepin' it together  
The man with the plan  
Girl we both know better  
All I can do  
Is run back to you and keep  
Workin' on it baby  
Get down and dirty  
I'm not ashamed to say  
That I'm still learnin'  
Workin' on it, baby  
Up all night  
Work on it baby  
'Till we get it right  
I ain't proud  
I ain't above it  
You'll do anything for something  
When you love it  
All I can do  
Is hold on to you and keep  
Workin' on it baby  
Get down and dirty  
Not afraid to sweat

To have to earn it  
Workin' on it, baby  
Up all night  
Work on it baby  
'Till we get it right  
Workin' on it baby  
Get down and dirty  
I'm not ashamed to say  
That I'm still learnin'  
Workin' on it, baby  
Up all night  
Work on it baby  
'Till we get it right  
Workin' on it baby... workin' on it baby

We'll be workin' on it baby...  
workin' on it baby  
We'll be workin' on it baby  
Workin' on it baby  
We'll be workin' on it baby  
Just keep workin' on it my love for you goes?  
No baby, I don't think so  
Has this prairie sky ever been so blue?  
Have I ever been less afraid of the unknown?  
You know since I met you  
You've been my best friend  
In that instant  
I knew I was home  
Some things you just know for sure  
It's like the faith of a child  
You bring out the best in me  
And you bring out something wild  
Is the sun gonna shine on a rainy night?  
I don't think so  
Does once in a lifetime happen twice?  
I don't think so  
Could I love you any more  
Could anything ever be more right?  
Would life be worth livin'  
Without you here to hold?  
No baby, I don't think so  
This love is physical  
Unconditional  
Oh it's spiritual  
It's all wrapped up into one baby  
And as the universe unfolds  
I wanna watch it all right here with you  
Every day until my life is done  
Is the sun gonna shine on a rainy night?  
I don't think so  
Does once in a lifetime happen twice?

I don't think so  
Could I want you any more  
Could anything ever be more right?  
Can words explain how deep my love for you goes?  
No baby, I don't think so
