See the dwarves and see the giants
Which one would you choose to be?
And if you can't get that together
Here's the answer, here's the key

You can freeze like a 30th century man
Like a 30th century man
Play it cool like a 30th century man
Like a 30th century man

I'll save my breath and take it with me
'Til a hundred years or so
Shame you won't be there to see me
Shaking hands with Charles DeGaulle

Play it cool and surrender up all you can
Be a 30th century man
You can freeze like a 30th century man
Be a 30th century man
High, high

Be a 30th century man
Play it cool
Be a 30th century man
You can freeze
Be a 30th century man
Play it cool
Be a 30th century man

See the dwarves and see the giants
Which one would you choose to be?
And if you can't get that together
Here's the answer, here's the key

You can freeze like a 30th century man
Be a 30th century man
You play it cool
And surrender off all you can
Be a 30th century man
You can freeze like a 30th century man
Be a 30th century man

You play it cool like a 30th century man
Be a 30th century man
You can freeze
And surrender off all you can
Be a 30th century man
