If I touch you will you break
If I touch you will you take
My fears away, my fears away
I can hardly wait for you
I can hear the moving mind
I've been sitting here for years, to find

I'll steal myself a car
Ferrari or a Jaguar
And drive it at a crazy speed
Straight over the cliff and into the sea

I can hardy wait for you
I can hear, the moving mind
I've been sitting here for years, to find
I've been sitting here for years, to find
Such bad thoughts

I'll steal myself a car
A Ferrari or a Jaguar
I'll drive it at a crazy speed
Straight over the cliff and into the sea

And maybe I'll be happy, maybe I'll be happy
And if that was guaranteed
I'd do it today, right now, just this once, today

I can hardly wait for you
I've been sitting here for years, for you
