So make it shine
No need to fade
I'll make it hard on you
I'll make it glow
No need to show you this time
I'll make it easy

And I know
The sunlight bleaches you
It colours everything you do
And I know
A flower's fading far too soon

So think of a time
It's something to cling to
Imagine a life
That never escapes you
Conceal it behind
The colour and perfume
A flower to hide
A violet surprise
And I know
The sunlight bleaches you
It colours everything you do
And I know
A flower's fading far too soon

And I know
The sunlight bleaches you
It colours everything you do
And I know
The sunlight bleaches you
A flower's fading far too soon
