At the top of the stairs, you shove
Going down with a smile, you shove
I'll teach you to turn away
I'll teach you to turn away

As you fall in the crowd, you shove
Some attention to steal, you will
I'll teach you to turn away
I'll teach you to turn away

These are not the words you use
These are just the words to show

Oh, she's letting go
But you're harder than I am
Oh, she's letting go
But you're harder than I am

There's a reason to pray, oh, God
It's really something I'm proud of
Saint Christopher would stay
Teach you to turn away

These are not the words you use
These are just the words to show

Oh, she's letting go
But you're harder than I am
Oh, she's letting go
But you're harder than I am
Oh, she's letting go
But you're harder than I am, I am

These are not the words you use
These are just the words to show

Oh, she's letting go
But you're harder than I am
Oh, she's letting go
But you're harder than I am
Oh, she's letting go
But you're harder than I am, I am
