Jesus, what a state to be in
Something's wrong, I don't know what I'm fearing
Scream inside towards the christening
Wrap your arms, protection I've been missing

But something close, something near
Don't know what I really fear
Somtimes cold, sometimes warm
Don't know why this need must end

Jesus, what a grip to be in
Something's wrong, the gruesome pain I'm feeling
Step inside the dreams, I follow
Wrap my arms, protection seems so hollow

Nothing's good, nothing's clear
Don't know what I really fear
I can move if I try
It goes deeper every time

La la lala la
La la lala la la
La la lala la
La la lala la la
La la lala la
La la lala la la
La la lala la (Nothing's good, nothing's clear)
La la lala la la (Don't know what I really fear)
La la lala la (I can move if I try)
La la lala la la (It goes deeper everytime)
La la lala la (Nothing's good, nothing's clear)
La la lala la la (Don't know what I really fear)
La la lala la (I can move if I try)
La la lala la la (It goes deeper everytime)
La la lala la (Nothing's good, nothing's clear)
La la lala la la (Don't know what I really fear)
La la lala la (I can move if I try)
La la lala la la (It goes deeper everytime)
La la lala la (Nothing's good, nothing's clear)
La la lala la la (Don't know what I really fear)
La la lala la (I can move if I try)
La la lala la la (It goes deeper everytime)

La la lala la (Nothing's good, nothing's clear)

La la lala la la (Don't know what I really fear)
