Sleep, don't weep  
Throw your arms together  
Slide, don't lie  
We always stick together

Start the day  
In a cold December way  
Feel what's new  
It's December through and through

Ma solituda sinks confusion  
Ma solituda sinks confusion  
I fell down

Sleep, don't weep  
Throw your arms together  
Slide, don't lie  
We always stick together

Start the day  
In a cold December way  
End this day  
In a stream of celebration

Ma solituda sinks confusion  
Ma solituda sinks confusion  
I fell down  
I fell down  
December never ends, December

Ma solituda sinks confusion  
Ma solituda sinks confusion  
Ma solituda sinks confusion  
I fell down  
I fell down
