Yea

Yea yea, yea yea,

Alright,

Hmm,

Verse 1

Ain't nothing like being alone

Coming home alone

Sometimes it feels like... (I got it all wrong)

The chances I've had before

Like one or too many more

Didn't treat em right (and now they're all gone)

Bridge

If I had one chance again

To give another my last name

This one I'll love and hold

Right until we get old

I'll pledge my life with vows

(And) take the blame for all the rows (yeah)

Cos I ain't good at being on my own

Chorus

My bed's so cold

I'm all alone

I'm sitting here all by my own

All that I ask is

I'm given one more chance

Cos I ain't good at being on my own

My bed's so cold

I'm all alone

I'm sitting here all by my own

All that I ask is

I'm given one more chance

Cos I ain't good at being on my own

Verse II

Some body please help me and give cupid a call

Go tell em that I need love right here in my home

Cos I messed up in the past (this I know)

But I can't sleep in the bed if it ain't warm

Bridge II
When I cook a meal
I eat alone
Coming home from work to be on my own
Right up in the bed I'll be
I'll be on my own
Just call cupid
Hey
Tell em to send someone to me

Chorus
My bed's so cold
I'm all alone
I'm sitting here all by my own
All that I ask is
I'm given one more chance
Cos I ain't good at being on my own

Chorus x3 till fade...
