I don't wanna hear you on my radio
In fact i don't wanna hear your voice ever again
Not receiving you through my stereo
And i don't wanna see your stupid face in no magazine

It aint easy man and i'm not proud
But it's not beneath me to appreciate
The mean streak that's inside me waiting

So hard to miss you the way that i do
I just wanna kiss you
Do you miss me
Do you miss me too?

Don't wanna see you, Don't wanna be seen
So when you come around with your sparkly new girl
I duck and weave just like I'm Sugar Shane*
Then I trip and fall and disappear right off of this great
big world.

Then i trip and fall then disappear right up off this
great big world
And i try to keep it to myself
Not beneath me to appreciate
The mean streak that's inside me waiting

When its
So hard to miss you the way that i do
I just wanna kiss you
Do you miss me
Do you miss me too
It ain't easy man and i'm not proud but it's not beneath
me to appreciate
The mean streak that's inside me waiting
