My Friends Tigger and Pooh Theme Song
My Friends Tigger and Pooh
We're always there for each other
You'll see just how fun it can be
With so much in the world to discover

And if I need help on the way
Buster might save the day
Or Piglet, Lumpy or Roo
Eeyore has a paw to lend
Rabbit has an ear to bend
Now all we're missing is you! ã€ˆ!

Hooray it's a honey-ful day
So let's laugh and let's play here together
With My Friends Tigger and Pooh
My Friends Tigger and Pooh
My Friends Tigger and Pooh
(To Fade)
