"If You Love Me"

If the sun should tumble from the sky,
if the sea should suddenly run dry
If you love me, really love me,
Let it happen I won't care

If a dream I fear should fall apart
I can still be smiling with my heart
If you love me, really love me,
Let it happen darling I won't care

Shall I catch a shooting star,
Shall I bring it where you are
If you only say you care
I can make a mountain fall
I'll do anything at all
As long as you are there

When at last my life on earth is through,
I will share eternity with you
If you love me, really love me,
Let it happen darling I won't care

REPEAT LAST VERSE

Let it happen darling I won't care
