You would see me like a shiny star,
Let me take you for a ride!
Make you feel you like a glowing down oh, oh
Wanna take you a little higher,
I can be your heart desire
Come and taste it, oh, oh!
No more feeling all alone!

Hook:

Oh, oh, all the people on the dance floor
Oh, oh wanna shine like the disco ball
Oh, oh, feel the groupie on the dance floor,
Oh, oh wanna shine like the disco ball, ball, ball, ball,
ball

Hold the leaves, the life will take it far
So make up your own life!
Everything that goes up, comes down, oh, oh!
Set the pace and you inspire
To let up in spite the hard
I can feel it oh, I can feel it coming along!

Hook:

Oh, oh, all the people on the dance floor
Oh, oh wanna shine like the disco ball
Oh, oh, feel the groupie on the dance floor,
Oh, oh wanna shine like the disco ball, ball, ball, ball,
ball

I love it what you do to me, yeah
But you told me your lies, no
It's like you put a spell on me, yeah
Like a thief in the night!
... every part of me feels like I'm hypnotized
Come and spin it round,
See you glitter enough like a disco ball!

Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
