If your blessed with the sight  
Your soul, your light  
When the rythms takin flight  
Get down tonight  
If your blessed with the sight  
Your soul, your might  
When the rythms takin flight  
Lets make it happen  
Baby, baby, baby  
Oh oh, yeah  
Always reachin heavens  
Touchin the sky  
Baby, oh oh yeah  
Always reachin heavens  
The magical flight  
When you know you can do it so right  
Simply take me and we can take flight  
Cause you know we can do it, just do it right  
You know we can do it tonight  
When you know you can do it so right  
Simply take me and we can take flight  
Cause you know we can do it, just do it right  
You know we can do it tonight
