[First verse]

Weeks have past since I last so your face  
Baby you make me feel like there is a part of me that  
has been taken away  
Because I just want you right here with me  
Your love is strong, I don't know were it's taking us  
Every time I am with you I feel complete baby  
You are an angel sent from above  
I don't care what they say  
They do not understand  
What we have is enough to get us through each day oh  
Baby...

[CHORUS]

Stay with me  
I just want you to stay right here next to me  
Because you are have part of my heart  
I am falling into pieces when you are not around  
Just hold me tight  
And never let me go  
Without you I am a bird without wings to fly  
Catch me when I fall  
Don't let me fall  
When you leave part of me leaves too  
When it's you and me am complete baby  
Yeah yeah when it's you and me  
Together

[SECOND VERSE]

My heart can't beat well  
It's skipping a beat  
Do something serve me  
Am going crazy of you baby  
Look what you doing to me  
Insanity is taking over me  
No I don't need any remedy  
And no I don't need to check into rehab  
The only cure is you. You... you... You... You  
Ohhh

[CHORUS]

Stay with me  
I just want you to stay right here next to me  
Because you are have part of my heart  
I am falling into pieces when you are not around  
Just hold me tight  
And never let me go  
Without you I am a bird without wings to fly  
Catch me when I fall  
Don't let me fall  
When you leave part of me leaves too  
When it's you and me am complete baby  
Yeah yeah when it's you and me  
Together

[BRIDGE]

Oh wen it's you and me baby  
Yeah we can work it out  
Yes we can yeh  
Yes we can ooohh

[CHORUS]
