It's your big day in the north  
It's your big day in the north - love  
Sha-she sha-shy pinapple  
When you smile en coeur le Big Apple  
Attention - get up charge your face  
La ou mais ou mon ami  
It's your big day in the north  
It's your big day in the north - love  
Grand jour pour la nord - amour  
It's your big day in the north  
It's your big day in the north - love  
Grand jour pour la nord - amour  
Sticks and stones may break your bones - but love will  
always hurt you.  
Bloodshot eyes scan the skies - oh my - oh my - oh my  
Monsieur- achta st-elle noir  
St-elle na tu souries  
Elle-st ne gros pas  
Elle-st comprends  
It's your big day in the north  
It's your big day in the north - love  
Grand jour pour la nord - amour  
It's your big day in the north  
It's your big day in the north - love  
Grand jour pour la nord - amour  
It's your big day in the north  
It's your big day in the north - love  
Grand jour pour la nord - amour
