There's no illusion  
When I close my eyes  
I dream of you  
Dream of you

Outside the rain  
Is bringing tears and pain  
Why should I care  
I have you

They ask me what it is  
Filling me with pride  
(So much pride)  
Time has told  
It's a good man's heart  
And the feeling he leaves  
In side

And I believe that love is  
Love is the strength I feel  
Love can change life  
From dreams to real

I learned the knowledge  
Of a hundred years  
To find a way  
Till you came

Still nothing made me feel as good inside  
As all the love that you gave

They ask me what it is  
Driving every day  
(Every day)  
Time has told  
It's a good man's heart  
Taking care of me  
All the way

And I believe that love is  
Love is the strength I feel  
Love can change life

From dreams to real

Love is  
Love is  
My king uncrowned  
Love is  
Holding this joy I've found

Through time  
And with no doubt  
His joy was  
Made mine  
To bring your love all around

Love  
Love  
Love is  
Love is  
The strength I feel  
Love can  
Change life from dreams to real

Love is  
Love is  
My kind uncrowned  
Love is  
Holding this joy I've found

Love is  
Love is
