It's all right, we're gonna be fine  
But let's give my mama and my daddy a little time  
Cause I've been good up 'till now  
They see you and they think that I have changed  
somehow  
But I'm not being radical when I kiss you  
I don't love you to make a point  
It's the hollow of my heart that cries when I miss you  
And it keeps me alive when we're apart  
We go downtown, some people they stare  
But there are lots of people who really don't care  
I just want to hold your hand  
I don't feel like making some big stand  
Cause I'm not being radical when I kiss you  
I don't love you to make a point  
It's the hollow of my heart that cries when I miss you  
And it keeps me alive when we're apart  
It's all right, we're gonna be fine  
Even if this world is taking so much time  
And though I mind what people say  
Love is stronger than any words anyway  
And I'm not radical when I kiss you  
I don't love you to make a point  
It's the hollow of my heart that cries when I miss you  
And it keeps me alive when we're apart
