Heeey
Mmmmmmm
Heeey

Funny how I took your smile for granted
For so many years
As the darkness is falling I'll be counting
Every single tear
And if I was cruel then I've been a fool
Because there's no one like you

If could believe that all the seed was gone
And we could move on

I would run like a river to your open arms
I wanna run like a river back where I belong

It's been a long time coming
But I think now I finally see your point of view
And I don't think that I can stand another day without
you
And if I was cruel then I've been a fool
Because there's no one like you

If could believe that all the seed was gone
And we could move on

I would run like a river to your open arms
I wanna run like a river back where I belong

Back where I belong
Mmmmm
Back where I feel stronger
Mmmmm

I wanna run like a river to your open arms
I wanna run like a river back where I belong

I wanna run like a river to your open arms
I wanna run like a river back where I belong

I wanna run
I wanna run
I wanna run
Please let me run

I wanna run
Please let me run
I wanna run
Please let me run
