Wish on a rainbow, is all I can do  
Dream of the good times that we never knew  
No late nights, alone in your arms  
I'll dream on

Living in wonder, thinking of you  
Still looking for ways to uncover the truth  
You're so young, is all they can say  
They don't know

If I could change the way of the world  
I'd be your girl

Too many walls have been built in between us  
Too many dreams have been shattered around us  
If I seem to give up they'll still never win  
Deep in my heart I know the strength is within

Watching the others, chances drift by  
They'll never discover these feelings I hide  
Deep inside I'm falling apart  
All alone with a broken heart

Thinking in silence is all they allow  
These words still unspoken may never be found  
All these dreams one day will be mine  
They cross my mind

My time has yet to come  
Until then

Too many walls have been built in between us  
Too many dreams have been shattered around us  
If I seem to give up they'll still never win  
Deep in my heart I know the strength is within

Too many walls have been built in between us  
Too many dreams have been shattered around us  
If I seem to give up they'll still never win  
Deep in my heart I know the strength is within, yeah

Too many walls have been built in between us

Too many dreams have been shattered around us  
If I seem to give up they'll still never win  
Deep in my heart I know the strength is within

Too many walls have been built in between us  
Too many dreams have been shattered around us  
If I seem to give up they'll still never win  
Deep in my heart I know the strength is within
