"All Over Again"

The very moment that I set eyes on you I returned to
The land of the living
It's like a replay of our first rendez-vous
Like a long trip down memory lane
No use concealing what is plain to see
You're still the best thing that ever happen to me
But now it's too late

Don't make me want you all over again
Breaking my heart like before
I don't believe I can take anymore
'Cause I love you

You left me then 'cause you had to be free so I
Sheltered my heart from the hurting
You took away all that mattered to me
Everything worth living for
Now I've won the battle and I made it through
Just as I finally got over you
You show up once more

Don't make me want you all over again
Breaking my heart like before
I don't believe I can take anymore
'Cause I love you

You make it sound so easy
Gotta give it all we've got
But I know you're bound to leave me
Believe me

Don't make me want you all over again
Breaking my heart like before
I really don't think I can take anymore
'Cause I love you
Don't make me need you all over again
24 Hours a day
Gotta ask you to go before I beg you to stay
'Cause I love you
Don't make me need you all over again
Making the same mistake twice

It's the hour of truth in a lifetime of lies
Do I love you, really love you
