Ruthless queen

With a quivering voice
You spoke the word
Shadow came between us
Sharp as a sword
Gone is my gladness
And vanished my pride
'Cause luck didn't stay on our side

Leaped in luxury
I cried for the moon
But the game is out
It all ended too soon
Awakening came as the belt from the blue
At last from a sheen to be true

CHORUS

Oh my ruthless queen
You would steal the treasure of my dream
It's the twinkle in your eyes
That took me by surprise
Oh my ruthless queen
I just can't accept our love has been
I bear you no malice
You show no remorse
Love is dead and gone
It was no endless source
Your sudden leave was the finishing stroke
Considering everything grow

CHORUS

Oh my ruthless queen
You would steal the treasure of my dream
It's the twinkle in your eyes
That took me by surprise
Oh my ruthless queen
I just can't accept our love has been

Pease don't tell me you couldn't care less
Well I feel like a ship in distress

Oh my ruthless queen
I just can't accept our love has been
