THE OTHERWORLD

Magic is the door through which mortal men may
sometimes step to find
the gates of the Otherworld,

Great Lady of Ravens
Mistress of the House of Maidens
Leading the way to the gates of the Otherworld
Hidden to all but the faithful
Open to none but the greatful
Where a hundred years can pass in a night

Virgins of the Holy Well
Dance around the Beltane Fires
Steal your heart and cast their spell
Guide you when the need is dire

Oh Mother of Mysteries
Queen of ancient realms of faery
Showing the way to the gates of the Otherworld
Hidden to all but the faithful
Open to none but the grateful
A place seldom seen by mortal eyes,
