You always said if I ever left
I'd regret it the rest of my life
When you told me that I would be sorry
Well darlin' you're right

I'm so sorry
I didn't leave you sooner
And I'm sorry I waited so long
And I'm even sorry I fell for a sorry fool like you
But I ain't sorry that ima gone

You said I'd come crawling back to you
With teardrops falling from my eyes
You thought by now I'd be so blue
And I'd be ready to apologise

I'm so sorry
I didn't leave you sooner
And I'm sorry I waited so long
And I'm even sorry I fell for a sorry fool like you
But I ain't sorry that I'm gone

Next to the way you treated me
Living alone ain't so hard
When I think of how we use to be
Darlin' from the bottom of my heart

I'm so sorry
I didn't leave you sooner
And I'm sorry I waited so long
And I'm even sorry I fell for a sorry fool like you
But I ain't sorry that I'm gone

No I ain't sorry
No baby I'm not sorry
No I won't be sorry
That I'm gone!
