When you are closed to me,  
I can't breathe normally  
I am not what I used to be,  
When you are closed to me  
And I move in the dark,  
I choose the wrong way like the past  
I am not what I used to be,  
When you are closed to me

You are like an injection  
You are my drug, my affection  
I still want an interdiction and I come over you  
And I know it's insane, I am the Orly one to blame  
You are like morohine in my veines  
It doesn't change, it still the same

SEX ADICTION  
Can't stop to think about you  
SEX ADICTION  
You are my drug, I think of you  
SEX ADICTION  
Can't stop to think about you  
SEX ADICTION  
You are my drug, I think of you  
SEX ADICTION

When you are closed to me  
I can't breathe normally  
I am not what I used to be  
When you are closed to me  
And you are like an injection  
You are my drug, my affection  
I still wait for an interdiction and I come over you

SEX ADICTION  
Can't stop to think about you  
SEX ADICTION  
You are my drug, I think of you  
SEX ADICTION  
Can't stop to think about you  
SEX ADICTION

You are my drug  
SEX ADICTION
