You walk into the room  
Undress me with your eyes  
But you never make a move  
Mmm, just hypnotising

'Cause I burn inside with everything I crave  
I've got to deal with it someway

Chorus:  
You're nothing but a heartbreaker  
Can't you see it  
You're nothing but a heartbreaker  
And it's freaking me  
You're just a soul taker  
I can feel it  
Then you see but I can leave it  
I can leave it  
You keep crushing my heart

I'm getting lost in you  
And shivering in my sling  
You took away my senses baby  
You knock me off my feet

And I burn inside when it gets too much  
You got me high and I can't touch

Chorus

I want you bad  
You look so good  
I'd have you now  
Baby if I could  
You're killing me  
Can't you see  
You're nothing but a, nothing but a, nothing but a  
Heartbreaker  
Soul taker  
I can feel it  
Please believe it

You're bring out the devil in me

And nothing's gonna save me

Chorus (x2)
