Throw yo hand in the air, yeah  
U know the savoir faire, ho ho  
I'm da hobo of music if I gotta tell again  
If u diggin and u movin' then u betta tell a friend

It's so sick the mamies go hoho  
It's so crazy the ladies go moho  
I'm so good I get the whole momo  
Still solo, chico, da bad mojo  
I'm a hobo of music if I gotta tell again  
If u diggin and u movin' then u betta tell a friend  
Can I kick it, for my people in Africa  
We so poor but still we so die hard  
Who's the mack I tell now dada  
Nah u don't wanna be my enemy blada  
I flip it so good they call me Escobar  
Spread the coco Gwada to Omaha

Throw yo hand in the air, yeah  
U know the savoir faire, ho ho  
I'm da hobo of music if I gotta tell again  
If u diggin and u movin' then u betta tell a friend

What u want u get from me nada  
Rock around town las cosas de mi vida  
I play drums and gwoka sobre la costa  
Congas and bongos like timbalada  
Watashi wa don dada desu  
I fill gap between Japan and Nujeru

Rocklands do that dance in Madinina  
Spread love, Like u all from Kinshasa  
Que pasa... Hot like it's lava  
Keep u awake like da nigga's from java  
I flip it, so good they call me Esco  
Bang yo clubs Haiti to Mexico

Throw yo hand in the air, yeah  
U know the savoir faire, ho ho  
I'm da hobo of music if I gotta tell again  
If u diggin and u movin' then u betta tell a friend

It's so sad u had to die nigga  
Bam nigga, beat in yo face nigga  
The music is a weapon and I'm a mass killa  
Hum! anyway bring back the beat peter  
I'm Mac OS X and u PC  
Wrong specie, u see, u wc  
I'm MVP, got keys to every city  
It's all about the benjis like PDiddy  
Career not speedy, Bom diggy infini  
Shady crooks can't take me down dunny  
I'm Esco, coco's my main moto  
To leki bango

Throw yo hand in the air, yeah  
U know the savoir faire, ho ho  
I'm da hobo of music if I gotta tell again  
If u diggin and u movin' then u betta tell a friend
