Verse 1

When i get older,
IÂ'll jump up to the sky and talk to the stars about you
When i get deeper,
IÂ'll dive to the bottom of the seas and get these pearls
for you
Baby

Refrain

Cause i got one looooooooooove
And i can love u for the rest of my life

When get stronger,
IÂ'll walk up to my ex tell her that iÂ'm history
Sooner or later,
IÂ'll put a ring on your finger
And love you forever and after
And shower you with my love
Cause u my destiny, my ebony
My ivory, on my piano keys
The reason why, iÂ'll travel through, the seven seas,
cause u are
My love...

Refrain

Cause i got one love
And i can love u for the rest of my life (2x)

When i get wiser,
IÂ'll take a resolution
And make my revolution, oh yeah
When i get lighter,
IÂ'll take my love with me
And dwell in paradise,
And wait for you forever

And i can love you for the rest of my life

Refrain

Cause i got one love, yeah
I got one love one love (one love, one love)

And i can love you for the rest of my
Life

And i can love you for the rest of my liife
Baby and i can love you for the rest of my
Life
Ouuwi
Cause i got one love, for you
