My mind is racing,  
And my feet are moving slow.  
Look all around me,  
Don't see anything I know.  
I'd like to answer you,  
But I can't clarify,  
If I'm 100 miles ahead,  
Or 100 miles behind.  
See signs of trouble,  
But I don't know what to think.  
I don't want to rock the boat,  
Or let it slowly sink.  
I'd ask you questions,  
But I don't want to make you cry,  
Am I 100 miles ahead,  
Or 100 miles behind?  
It's going to rain,  
It's going to pour,  
Through sickness and worse,  
Can I love more?  
You carried me,  
When I fell.  
Can I carry you?  
Can I love that well?  
Ooooh..  
My mind racing,  
And I'm sorry if it hurts.  
I've never been somewhere,  
That I could not reverse.  
If I don't wonder,  
If I don't take my time,  
Am I 100 miles ahead,  
Or 100 miles behind?  
It's going to rain,  
It's going to pour,  
Through sickness and health,  
Can I love more?  
You carried me,  
When I fell.  
Can I carry you?  
Can I love that well?  
Ooooh.. (Repeat this chorus once)
