It's your big day in the north
It's your big day in the north - love
Sha-she sha-shy pinapple
When you smile en coeur le Big Apple
Attention - get up charge your face
La ou mais ou mon ami
It's your big day in the north
It's your big day in the north - love
Grand jour pour la nord - amour
It's your big day in the north
It's your big day in the north - love
Grand jour pour la nord - amour
Sticks and stones may break your bones - but love will
always hurt you.
Bloodshot eyes scan the skies - oh my - oh my - oh my
Monsieur- achta st-elle noir
St-elle na tu souries
Elle-st ne gros pas
Elle-st comprends
It's your big day in the north
It's your big day in the north - love
Grand jour pour la nord - amour
It's your big day in the north
It's your big day in the north - love
Grand jour pour la nord - amour
It's your big day in the north
It's your big day in the north - love
Grand jour pour la nord - amour
