I have an evil lover  
Torments me with her sting  
Fierce Canadian winter  
Wearing boots  
Made in Beijing

Bathes me in her blood  
Leaves wounds across my face  
Traps me in her heart  
Feels like ice  
Inside her lake

She's my Hallelujah  
My Hallelujah  
In our Land of  
Na Na Na Na

And no man  
Could forget  
The darkness in her eyes  
No man could resist  
The perfume of her mind

Build a pagan temple  
From her naked holy skin  
Live inside her spider  
By the gods  
Who dwell within

I have an evil lover  
Rides my aching soul  
Blocks the sun  
From shining  
In the desert  
Where I grow

Wraps me in her scent  
Stupefies my brain  
Turns my nights  
To hunger  
For the feast that

She became

She's my Hallelujah  
My Hallelujah  
In our Land of  
Na Na Na Na

She's my love  
My tragic flaw  
In our Land of  
Na Na Na Na

My tragic flaw  
Hallelujah
