Keith Soul on the beat (Air-air-airplane in the sky)  
Listen listen  
Listen pay attention  
I am from the place where repentin is a crime  
I do (Airplane in the sky)  
Sittin in my room spittin poems to myself in my AKG  
Never play thee (Air plane airplane airplane in the sky)  
And I'll do this shit u won't pass me  
Because I got the brains and the brawns of a tyrant  
I am never violent I am never silent  
I'm forever (Air air airplane in the sky) kid  
I am a slob when I'm spitting  
Rappers-itis  
Listen to me cause I'm like King Midas  
Got that golden touch  
Gotta golden dutch - honeys  
They never get me for my money  
Cause I'm dug like Funnie (Airplane airplane)  
D-diggin up ya grave (Airplane)  
Bigger than the hate (Airplane)  
Niggas wanna hate  
Niggas need to date themselves because they gays  
(Airplane)  
And as the shit plays I'll be getting baked  
Everyday and I get chips like lays  
I can't have jus one- never  
Yo, yo because forever I will sever yo head  
If u try to get (Airplane airplane)  
Have u more dead  
Then I'll be like  
Girl can u give me more (Airplane)  
Yo agnes  
I was on with that baddest bitch that was her name  
She was like a radish—all red bubble butt  
She got the bubble guts  
When I stick it in her she be shittin for a couple months  
(Air airplane)  
Cause I love the cunt (Air air)  
I love the puss (Plane plane)  
Yo I love to push (Airplane)  
And I love to get it everyday, like to hit it everyway  
I don't give a fuck cause the kid will forever spray

(Air air plane plane) (word)  
With the sneeze guard  
With the mouth spittin  
Written- from the dome  
Listen as I spit these poems out like they  
(Airplane airplane airplane) old food  
That processed  
I am on the (Air plane plane)  
Not in the projects  
I am in the studio with a fat booty ho  
Really really straight like an arrow  
Got my eye on the sparrow  
I am like the pharaoh of  
H-I-P (Air) H-O-P (Plane)  
Never stop me because I'm so (Airplane airplane  
airplane)  
I will rock the speakers  
Make em explode implode  
Till the low blows  
Like when I goes—on ya girls nose  
Because I'm a pro and she's a fuckin (Airplane airplane  
in the sky)  
But I came with that  
Because I'm insane and I blame the rap (Airplane  
airplane)  
Because I blame the weed and I blame the alc  
And I blame the talcum I blame the powder  
I blame the chowder, I blame the sound  
If I'm playin around  
And I flame ya town  
Now the name is now (Air airplane in the sky)  
Because I'm rippin it and flippin it and gettin it good  
Because I'm sittin in the women when I'm in the wood  
(Plane plane plane air airplane in the sky)  
Bitches—they tell me tons of things  
Tell me that they love me cause the way that the brotha  
sing  
Pickin up the pieces pickin up the reason  
Pickin up the sonar I am fuckin so raw (Airplane)  
Yea, because I rip everyday with my AKG  
Dude don't play with me  
Because I'm so fuckin spacey daily  
I am that dude because I never never snooze  
And I never ever walk cause I'm always on the grind  
And always on the grind  
And I'm always flying higher than a airplane in the sky  
Always- always flying higher than a airplane in the sky  
Always- always flying higher than a airplane in the sky  
And I always flying higher- always -always flying higher  
Always -always flying higher than a airplane in the sky-  
in the sky

Kaywhy keith soul  
And I'm always flying higher higher  
Cause I'm always on the grind- cause I'm always on the  
grind  
And I'm always flying higher than a airplane in the sky
