[Hook:]

It's like bang!

I don't know where I got it

I say it when I feelin 'cocky

But I know that I got it

It's like bang!

I don't know where I got it

But I know that I got it

Yo I know that I got it

It's like bang!

I don't know where I got it

I say it when I feelin 'cocky

But I know that I got it

It's like bang!

I don't know where I got it

But I know that I got it

Yo I know that I got it

[Verse 1:]

It goes coast to coast, sellin like a pirate

I get, high with my friends I get pompous

Watch us not us rock with us

Obnoxious monsters gonna romp to the Oscars

Crash it like bandicoot

Turn haters into obeyers and recruit

The damn salute

Thumbs up when ya see ya boy,

Said throw a thumb up when u see ya boy

We in the theater boy

Screamin things of joy

Fuck yo tips I ain't a pizza boy

I'm the featured boy

Platinum visa boy

Bitch said that she my biggest fan—she's a whore

Still leave with her

Will beat for sure

Take her home make her moan

Spill my skeet in her

I'll beat for sure

Chill be there's more

I want to stay sick

So we'll beat the cure

Go!

[Hook:]

Bang!

I don't know where I got it

I say it when I feelin 'cocky

But I know that I got it

It's like bang!

I don't know where I got it

But I know that I got it

Yo I know that I got it

It's like bang!

I don't know where I got it

I say it when I feelin 'cocky

But I know that I got it

It's like bang!

I don't know where I got it

But I know that I got it

Yo I know that I got it

[Verse 2:]

It like bang! I don't know where I got it

I say it when I'm feelin cocky but I know that I got it

It's kinda silly but u feel me

Gonna build me a committee

Of the prettiest bittes

With those triple z titties

Like bang!

Dawg u know that I got it

Makin the dopes t songs while I'm goin to college

Like bang! You can't say it like me

Bang ya boy-oy kay is a beast

And yo I'm bakin with yeast

Makin bread and cake with ease

Well maybe if they please

Bang the cds

So look at the t's

Vintage forget white

Dickies with the crease

Fitting me jus right

Bang, When I'm playin the game

For those that didn't know kaywhy is the name

It's like bang like if your bombin a cop car

Stay up to all my writers and gods that got far

Go...

[Hook:]

Bang!

I don't know where I got it

I say it when I feelin 'cocky

But I know that I got it

It's like bang!
I don't know where I got it
But I know that I got it
Yo I know that I got it
It's like bang!
I don't know where I got it
I say it when I feelin 'cocky
But I know that I got it
It's like bang!
I don't know where I got it
But I know that I got it
Yo I know that I got it

[Verse 3:]

It goes practice makes perfect,
Son, I been practicing
All the ingredients added in
Yea I hafta to win
I hafta swim past the pack of sharks the baddest part
Always keep my swagger starched, that's the art uh!
Back to start, how you reinvent the wheel?
Try to keep it smart while still bring appeal
Some people will, feel it's since it's real
You gotta sell yourself in any givin field
So big up to my actors, models and politicians
I need to get some dough to demolish my tuition
College is a mission that many people fail
This shit is hell it's not for everyone
Get cheese like chip and dale
I never kick a pail or put up a white flag
I tried alotta drugs, but I never try that
Hit me up on myspace, I'll message or write back
I'm laid back no stress in my dime sack

[Hook:]

It's like bang!
I don't know where I got it
I say it when I feelin 'cocky
But I know that I got it
It's like bang!
I don't know where I got it
But I know that I got it
Yo I know that I got it
It's like bang!
I don't know where I got it
I say it when I feelin 'cocky
But I know that I got it
It's like bang!
I don't know where I got it
But I know that I got it
Yo I know that I got it
