Shake rattle rattle spray  
Shake rattle snakes  
I got time to scam, damn hear u from a mile away  
Follow me I will take out a rake tired of fakes  
Bottles break against skulls nicely, try me  
And if they call the jakes, there be no way to find me  
Shhh throw up, like another way to blow up  
Clark kent with a mop pen and a microphone  
Same concept plans to get my writin on  
Bitin on me, you guys baloney  
Me and pin dawg puffin blunts of OG  
Plus I'm duffin OE  
Mothafuckin phoney  
Runnin from the police like I jus stole things oh jeez  
Shake rattle rattle spray  
Make u shake like rattle snakes  
Thump of the beat bumpin ya feet  
What ya'll niggas stuck to ya seat  
Damn get up like a muhfuckin boner  
Reppin cassachusetts and malifornia  
Got the house slippers on me  
Khaki shorts fresh east meets west beater on the chest  
A black one, to match the cap son  
When I breath I give girls satisfaction  
The world that I'm graspin,  
Oh you know I was comin  
Musta heard all the rattlin  
Tagin yo shit like facebook  
Have u ever heard of space chucks  
Prolly not but u will tho  
Prolly rock em in the video  
So listen to my symphony  
Fuck you sympathy unless yo name is tiffany  
And love to wear tiffany  
And yo favorite movie breakfast at tiffanys  
Cause that wuld be interesting  
Shake rattle rattle shake shake rattle rattle shake  
I'm lackin paint I jus need to tag my name  
Start with the K then put the I then put the N then put the
