(Feat. The Last Goodnight)

Were both living lives
In different ways
You have a home
I have a suitcase
You up at 9
Asleep at 10
I sleep when I can
No sleep again

Can I be cool?

Can I be cool like you?

I just wanna be cool yeah
I just wanna be cool like you

Woah
Yeah
Woah-oh
Yeah yeah yeah
Woah
Yeah
Woah-oh
Yeah yeah yeah

Your getting crazy, your getting mad
What seems so glamorous can be so sad

Can I be cool?

Can I be cool like you?

I just wanna be cool yeah
I just wanna be cool like you

Woah
Yeah
Woah-oh
Yeah yeah yeah
Woah

Yeah
Woah-oh
Yeah yeah yeah

Your so cool, so cool
Your everything to me
When I look into the mirror
It's you I wanna see

Your so cool, so cool.
My hero in the sky
I try to be you
But wake up and realize

If I only could go where you go
Where everything I touch turns to gold
If I could only see through your eyes
It would be a dream that I realize

Realize

Realize

I want to drive a fast expensive car
So I can date a famous movie star
Everywhere I go I see your face
One of these days I'll take your place

I want to be just like you
Your everything to me
I look into the mirror
It's you I wanna see

A superstar
The planet mars
I can't touch you
How'd you get so far

Can I be cool?

Can I be cool like you?

I just wanna be cool yeah
I just wanna be cool like you

Woah
Yeah
Woah-oh
Yeah yeah yeah
Woah
Yeah

Woah-oh
Yeah yeah yeah

Your so cool, so cool
Your everything to me
When I look into the mirror
It's you I wanna see

Your so cool, so cool.
My hero in the sky
I try to be you
But wake up and realize

Woah
Yeah
Woah-oh
Yeah yeah yeah
Woah
Yeah
Woah-oh
Yeah yeah yeah
